

Sept. 28, 2015

Dear Family,

Hello! I hope your second grader has enjoyed doing the at home "ME Bag" and "Reading Scavenger Hunt". During Open House, I will talk about at home activities that will help your second grader as a learner and lead them to be more responsible for their learning.

(Homework!)

We have our class rules and have been practicing ways to make good choices so we can follow the rules. We also talked about the idea of a logical consequence which is something that happens (as a result of an "oops" moment) which makes sense.

We have been working on our routines for the various parts of our day. By establishing and practicing our routines first, your second grader will understand their responsibilities and expectations throughout the day.

I look forward to seeing parents and guardians for Open House on Thursday, October 1st. At 6:00 p.m., Mr. Lannan will be speaking for a half hour about the new report card and then it will be time to visit the classroom afterwards.

Have a wonderful week!
