LIAISON WITH SCHOOL BOARD ASSOCIATIONS

The Board instructs the Superintendent to keep the Board fully informed of the affairs of the New Hampshire and National School Boards Associations and to keep these organizations informed, as directed from time to time, of the Board's official positions on matters of common interest and concern.

In addition to establishing an informational liaison between itself and the school board associations, the Board will officially be represented in associational affairs through the election of delegates and/or observers to the governing assemblies of these organizations.
