SUPERINTENDENT'S DEVELOPMENT OPPORTUNITIES

The Board encourages the Superintendent and/or his/her assistants to make every effort to stay abreast of educational trends and to seize opportunities for exploring new ideas and programs that may be used to advantage in the School District.

For the benefit of the entire school system, the Board encourages the Superintendent to set aside time each year to certain seminars and conferences and visit other school systems in which promising ideas are emerging, as these activities are delineated in the Superintendent's individual employment contract.
