

VENDING MACHINES

The installation and use of vending machines in the schools will be to complement the school lunch program, and encourage students in good eating habits. Contents of vending machines will be in compliance with Policy JLCF, Student Wellness Policy.

The service and sale of all food and beverages to students during school hours will be under the control of the school Food Services Department, and the revenue from such sales will be deposited and accrued to the Food Services revenue budget.

Vending machines may be operated by the school Food Services Department for the sale of beverages in employee lunchrooms. The funds derived from such sales will accrue to the Food Service Program revenue budget. Students will not make purchases from these machines.

The Food Services Director and Principal(s) will submit to the Superintendent monthly financial reports on each account.
