SUPPLEMENTAL MATERIALS SELECTION AND ADOPTION
Movies and Videos

Purpose:

The Board believes that movies, videos and other audiovisual materials are important tools in the educational process. At the same time, the Board believes that the use of movies and videos should be limited so that they are used legally and appropriately in achieving legitimate educational objectives. Therefore, it is the Board's purpose to have a policy that promotes the appropriate educational use of movies and videos in schools by maximizing classroom instructional time, encouraging parental participation in the education process and fostering community values.

Policy:

It is the Board policy to establish course curriculum and work in partnership with parents to promote an appropriate learning environment that reflects community values. Therefore, the following guidelines represent Board policy regarding how and when movies and videos may be used as an instructional strategy to supplement approved course curriculum.

Educational Relevance:

The showing of movies and videos must be limited to a specific educational purpose. General selection criteria should include quality of the overall work, fair and accurate representation of the facts, the reputation and significance of the writer, director and/or performer, and critical acclaim of the work itself.

Administrator's Authorization:

At least five (5) days prior to the showing, the instructor/teacher shall submit to the principal, in writing, the following information on the particular films:

1. Title and brief description
2. Purpose for showing the movie/video
3. Match with course objectives
4. Proposed date(s) of viewing
5. When and how parents will be notified, or if necessary, grant consent
6. Audience rating (G, PG, PG-13)

Age Appropriate Movies:

Elementary Level: Only "G-rated" movies may be shown without parental permission. However, parents must be notified that the movie will be shown in class. Any PG-rated movie to be shown at the elementary level requires a signed, written consent from a parent/guardian that must be kept on file before the student may view the video.

SUPPLEMENTAL MATERIALS SELECTION AND ADOPTION

(CONTINUED)

Junior High Level/Middle School: Only G-rated movies may be shown without parental permission. Any movie with a PG rating to be shown at the junior high/middle school requires parental/guardian notification. Any movie with a PG-13 rating to be shown at the Junior High/Middle School requires a signed, written consent from a parent/guardian that must be kept on file before the student may view the video.

The Hampton School Board discourages the showing of any R-rated movie in school. However, the Board also recognizes that some segments of certain R-Rated movies may have a valid educational purpose. Therefore, R-rated movies are not to be shown in their entirety, and segments may be shown only if no other means of instruction can present the information. Signed, written permission must be granted by the parent/guardian before the student may view the video.
