Purpose

The purpose of this advisory is to provide clarification concerning the education of homeless students in New Hampshire. Varying Interpretations of homelessness, school placement, and New Hampshire Residency Law regarding homeless students have led to confusion and in certain instances have prohibited children from enrolling and attending school. This advisory addresses the basic requirements for school districts to meet the needs of homeless students and answers some of the most frequently asked questions.

Definition

The Stewart B. McKinney Homeless Assistance Act, Subtitle VII-B: Education of Homeless Children and Youth, protects homeless children and youth from being excluded from school enrollment due to the nature and impermanence of their night-time residence. Under the McKinney Act, school districts must review any rules or regulations, practices, or policies that may act as barriers to the enrollment of homeless children and undertake steps to revise such regulations, practices or policies to assure that homeless children and youth are afforded the same opportunities as non-homeless children and youth.
